**NEXT STEPS FOR  
HARRODSBURG CHRISTIAN CHURCH**

Over the last several months we have had three gatherings where we have begun the conversations of who are we as Harrodsburg CC. What are our passions, hope and joys? What are we doing well? What might we need to let go of? What needs more attention and resources so we can do it well? It was not a time to come up with solutions or plans. It was time to listen.

We had around 50 people take part. I began each meeting sharing that my hope for these meetings is that in our conversations we begin to see the ways God is already at work among us, showing us the way to what is next. I did not have any real concrete expectation for the outcome for these gatherings except for it to be a place to listen to one another. Thank you for all those who took part and the beautiful way you listened to one another, heard each other's concerns, and smiled at each other's expressions of joys and hopes.

The unexpected gift that came from these meetings is a sense of joy, love, and excitement for our shared ministries at HCC and who we are as a community of faith. Maybe some of what was shared was not new and you might think, "well, we knew that already." There is power in coming together and hearing in many different ways our shared passions and joys. I'll be sharing more from the pulpit of where I saw and heard God in our conversations.

For now, I want to share two undeniable and strong common threads that wove through all three gatherings as we answered the first question. What are we most passionate about? These two answers were shared with such excitement and with everyone around the table in complete agreement. First: WE ARE PASSIONATE ABOUT BEING INCLUSIVE. Being inclusive was the first mentioned in each meeting and stories were shared in the many ways this is important to us. Second: WE ARE PASSIONATE ABOUT SERVICE. It is in our DNA. Long time members shared that they cannot remember a time when outreach and care for others was not a huge part of HCC. New members shared it is one of the many things about HCC that they love.

After each gathering, many shared how glad they were that they took part. They were not aware that HCC does so much. They loved hearing the stories and the joy in those stories. They appreciated the honesty as hopes were shared. Church, I am excited too and I can't wait to share more about these conversations with you. God really is leading the way.
